👤 Profile Summary

Highly motivated and detail-oriented mid-level Front-End Developer with a strong HTML, CSS, and JavaScript foundation. Possessing a solid understanding of web development principles and responsive design techniques. Experienced in collaborating with cross-functional teams to design and implement innovative user interfaces. Proficient in using modern front-end frameworks such as React and Angular for building dynamic web applications. Committed to delivering high-quality code and achieving client satisfaction. I am seeking opportunities to enhance my skills further and contribute to the success of a dynamic and forward-thinking organization.

🧰 Work Experience

Web Design

freelancer
Iran
July 2020 - Present

Tasks and Achievements
