📍 Shiraz, Fars, Iran

DoB: 1988-03-24 | Marital Status: Married | Military Service: Served

Profile Summary

Passionate HVAC professional with over a decade of experience in designing and launching diverse HVAC systems for projects ranging from Residential Buildings to Hospitals and Industrial facilities. Meticulous adherence to international codes and standards ensures optimal functionality and compliance. Proficient in a range of Air Conditioning software, including Revit MEP, Plant3D, AutoCAD, and more. Known for out-of-the-box thinking, a strong team player, and a dedicated hard worker. Committed to discipline as the key to achieving goals and success.
